Memorandum

~~SECRET~~

TO : Mr. Frank M. Ravndal, ARA/LA/BR

DATE: Feb. 12, 1971

FROM : W. Douglas McLain Jr., POL, Amconsul RECIFE

SUBJECT: Nancy Mangabeira Unger

Dear Frank: I am routing this OM and attachment through you in the hope you will head off at the pass anything damaging. I confess it makes me uneasy to put this kind of material into an attorney's hands (even one of ours) since it might somehow end up as public record in a court [redacted]

FOIA(b)(1)

Best regards,

Amconsul RECIFE

CITIZENSHIP AND PASSPORTS: Nancy Mangabeira UNGER

PPY/L ON same subject, February 4

1. In response to your request we enclose copies of our file on the Nancy Mangabeira Unger case. Since the post is unable to cope with the large volume of work involved in translating the large number of news reports and letters submitted, we request you arrange this with the Department translating service.

[Redacted]

2. A letter ostensibly written by Nancy Mangabeira Unger [Redacted] will be forwarded to Washington. [Redacted]

FOIA(b)(1)

The content of the letter as well as the fact that we are in possession of it is, of course, classified and should be treated accordingly. However, regardless of its legal merit, we believe that if authentic, the letter would be useful to you as background indications of Miss Unger's attitude toward illegal terrorist activities.

4. Since the file contains more than 20 memoranda by four different authors, we are at a loss regarding the form a sworn statement or sworn statements should take. We suggest you prepare the statements in proper form and forward them to us for execution.

5. It will be clear from their content that several of the documents in the file involve information and sources whose revelation would be extremely prejudicial. None of the classified material enclosed may be declassified without the originator's permission.
